

GREAT WESTERN SOCIETY (BRISTOL GROUP)

“Jewels of the Orient” Road Motor Outing 27th – 29th July 2018

A weekend in and around stunning Scunthorpe! Following on from Planes and Boats and Trains in 2017 we bring you - Steam Trains and Trams and Trolleybuses and a Steelworks!

Departing North Bristol at a civilised time on **Friday** morning we head for the **National Tramway Museum** at **Crich**. After plenty of time for rides on the trams and a good look around we head on to our hotel in Scunthorpe (Now be honest, how many of you can say you've stayed in Scunthorpe?)

On **Saturday** we initially head for the **Cleethorpes Coast Light Railway** for narrow gauge steam and then after lunch, hopefully, standard gauge steam as we take an extensive tour around **Scunthorpe Steelworks** courtesy of the **Appleby-Frodingham RPS**. Another night in our hotel, with the likely offer of the now traditional Group Pub Evening Meal, will in all probability be followed by **Sunday**.

Today we head off to **Sandtoft** where we find the world's largest collection of preserved trolleybuses and **The Trolleybus Museum's** biggest event of the year with plenty of visiting vehicles and other attractions. Our final visit is to the **Ecclesbourne Valley Railway** where we take a steam hauled ride along the length of the line and also get to tackle the fearsome 1 in 27 **Ravenstor Incline** – Steam hauled of course! We return to North Bristol mid-evening.

The fares, which include all road motor and train travel and museum entrances as above, two nights hotel accommodation (double en-suite room for single occupancy) but excluding ALL meals are –
