

GREAT WESTERN SOCIETY (BRISTOL GROUP)

“The English Riviera” Road Motor Outing 9th – 11th June 2023

An early summer weekend in Glorious Devon and Cornwall – this year it’s trains and more trains standard gauge, miniature and model – static and in operation – GWR and industrial. We visit all the premier steam lines of the south west peninsula and also some more obscure railway attractions to be found amongst the sun-kissed palm trees (OK - I’ve been reading too much tourist literature).

Departing North Bristol at a civilised time on **Friday** morning we head for **Tiverton Museum of Mid Devon Life** mainly to view GWR locomotive No. 1442 and associated local railway exhibits. We then head down to Torbay for a round trip on the **Dartmouth Steam Railway** and conclude the day in the Plymouth area with a stay in Premier Inn or Travelodge accommodation.

On **Saturday** we visit Cornwall’s premier railway **The Bodmin and Wenford** for trips from Bodmin General to Boscarne Junction & Bodmin Parkway. We also travel on the **Lappa Valley** – where we ride on a 15in gauge steam train along part of the old GWR Newquay-Chacewater line, to visit the 10 ¼ & 7 ¼ gauge miniature railways. We will be staying in Premier Inn or Travelodge accommodation in West Cornwall. The evening will feature the traditional Pub-Meal outing.

On **Sunday** we ride on two lesser known railways – the **Helston Railway** and **Plym Valley Railway** before visiting the long-established **South Devon Railway** and returning to Bristol mid-evening.

The fares, which include all road motor and train travel and museum entrances as above, two nights hotel accommodation (double en-suite room for single occupancy) but excluding ALL meals are –
